

Deposit Tutorial – Oval Markets

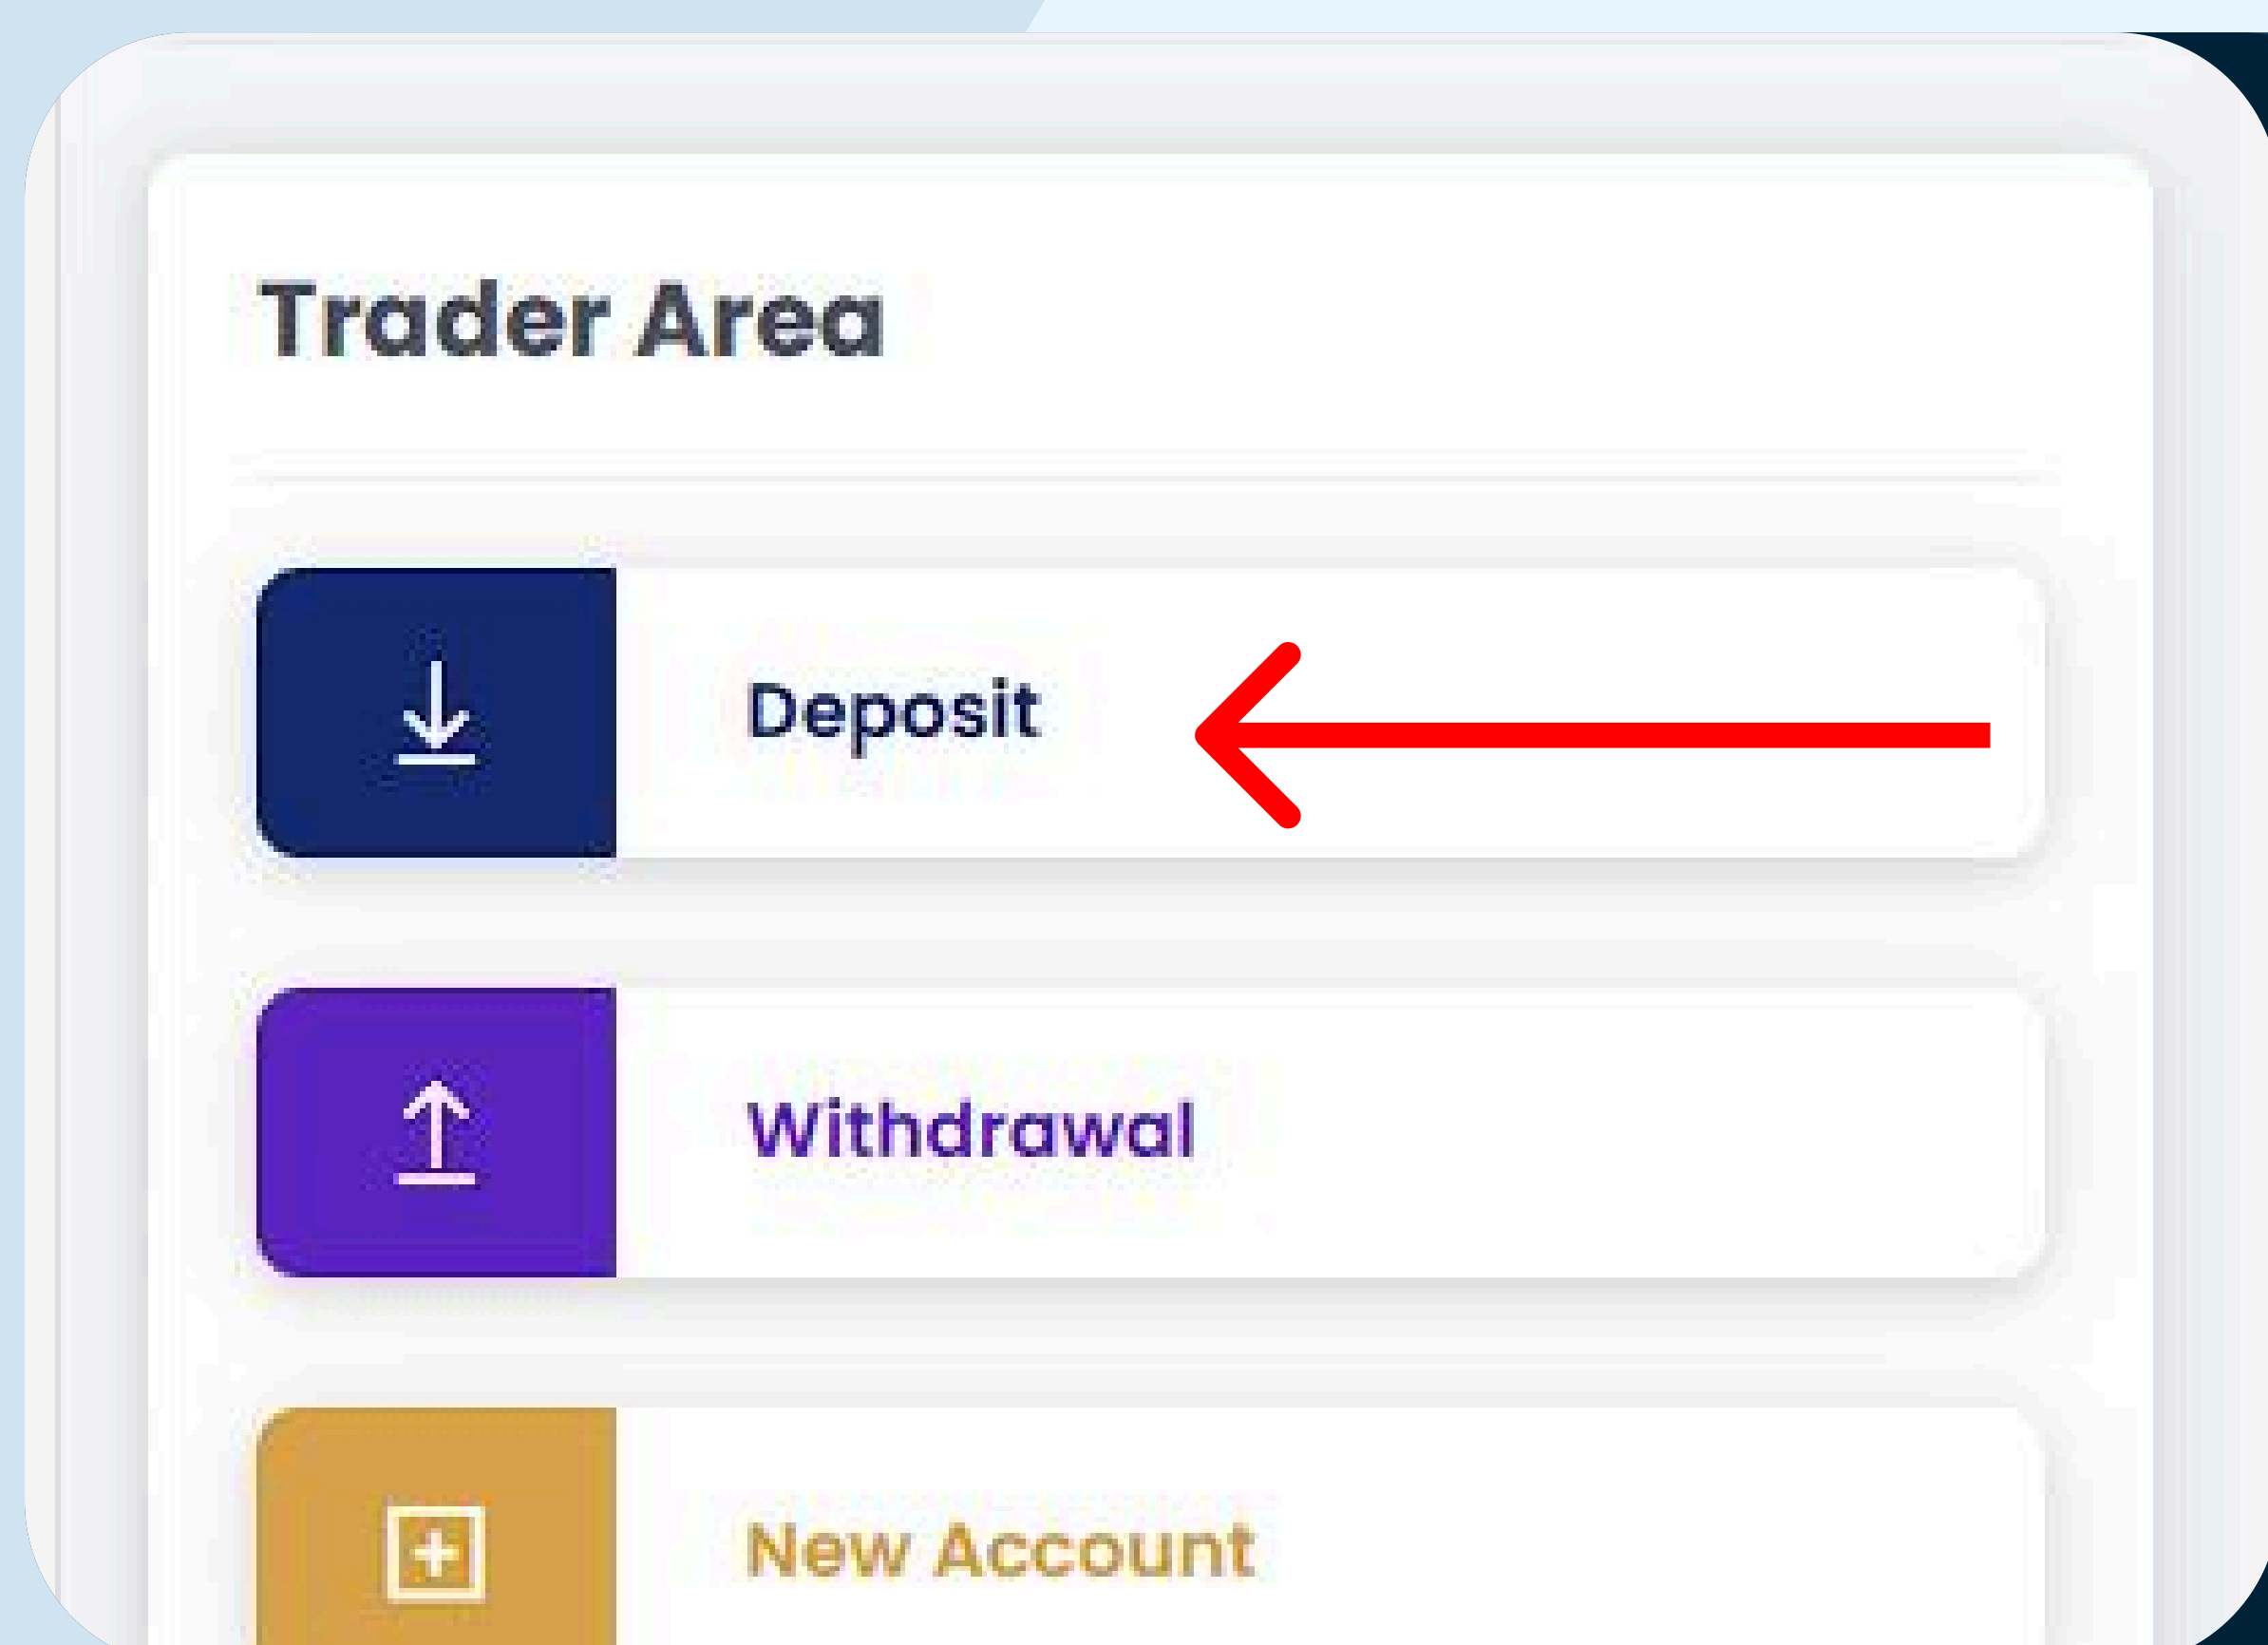

1. Make Sure Your Trader Account Is Active

Please ensure that you already have an Oval Markets trader account and an MT4 account.

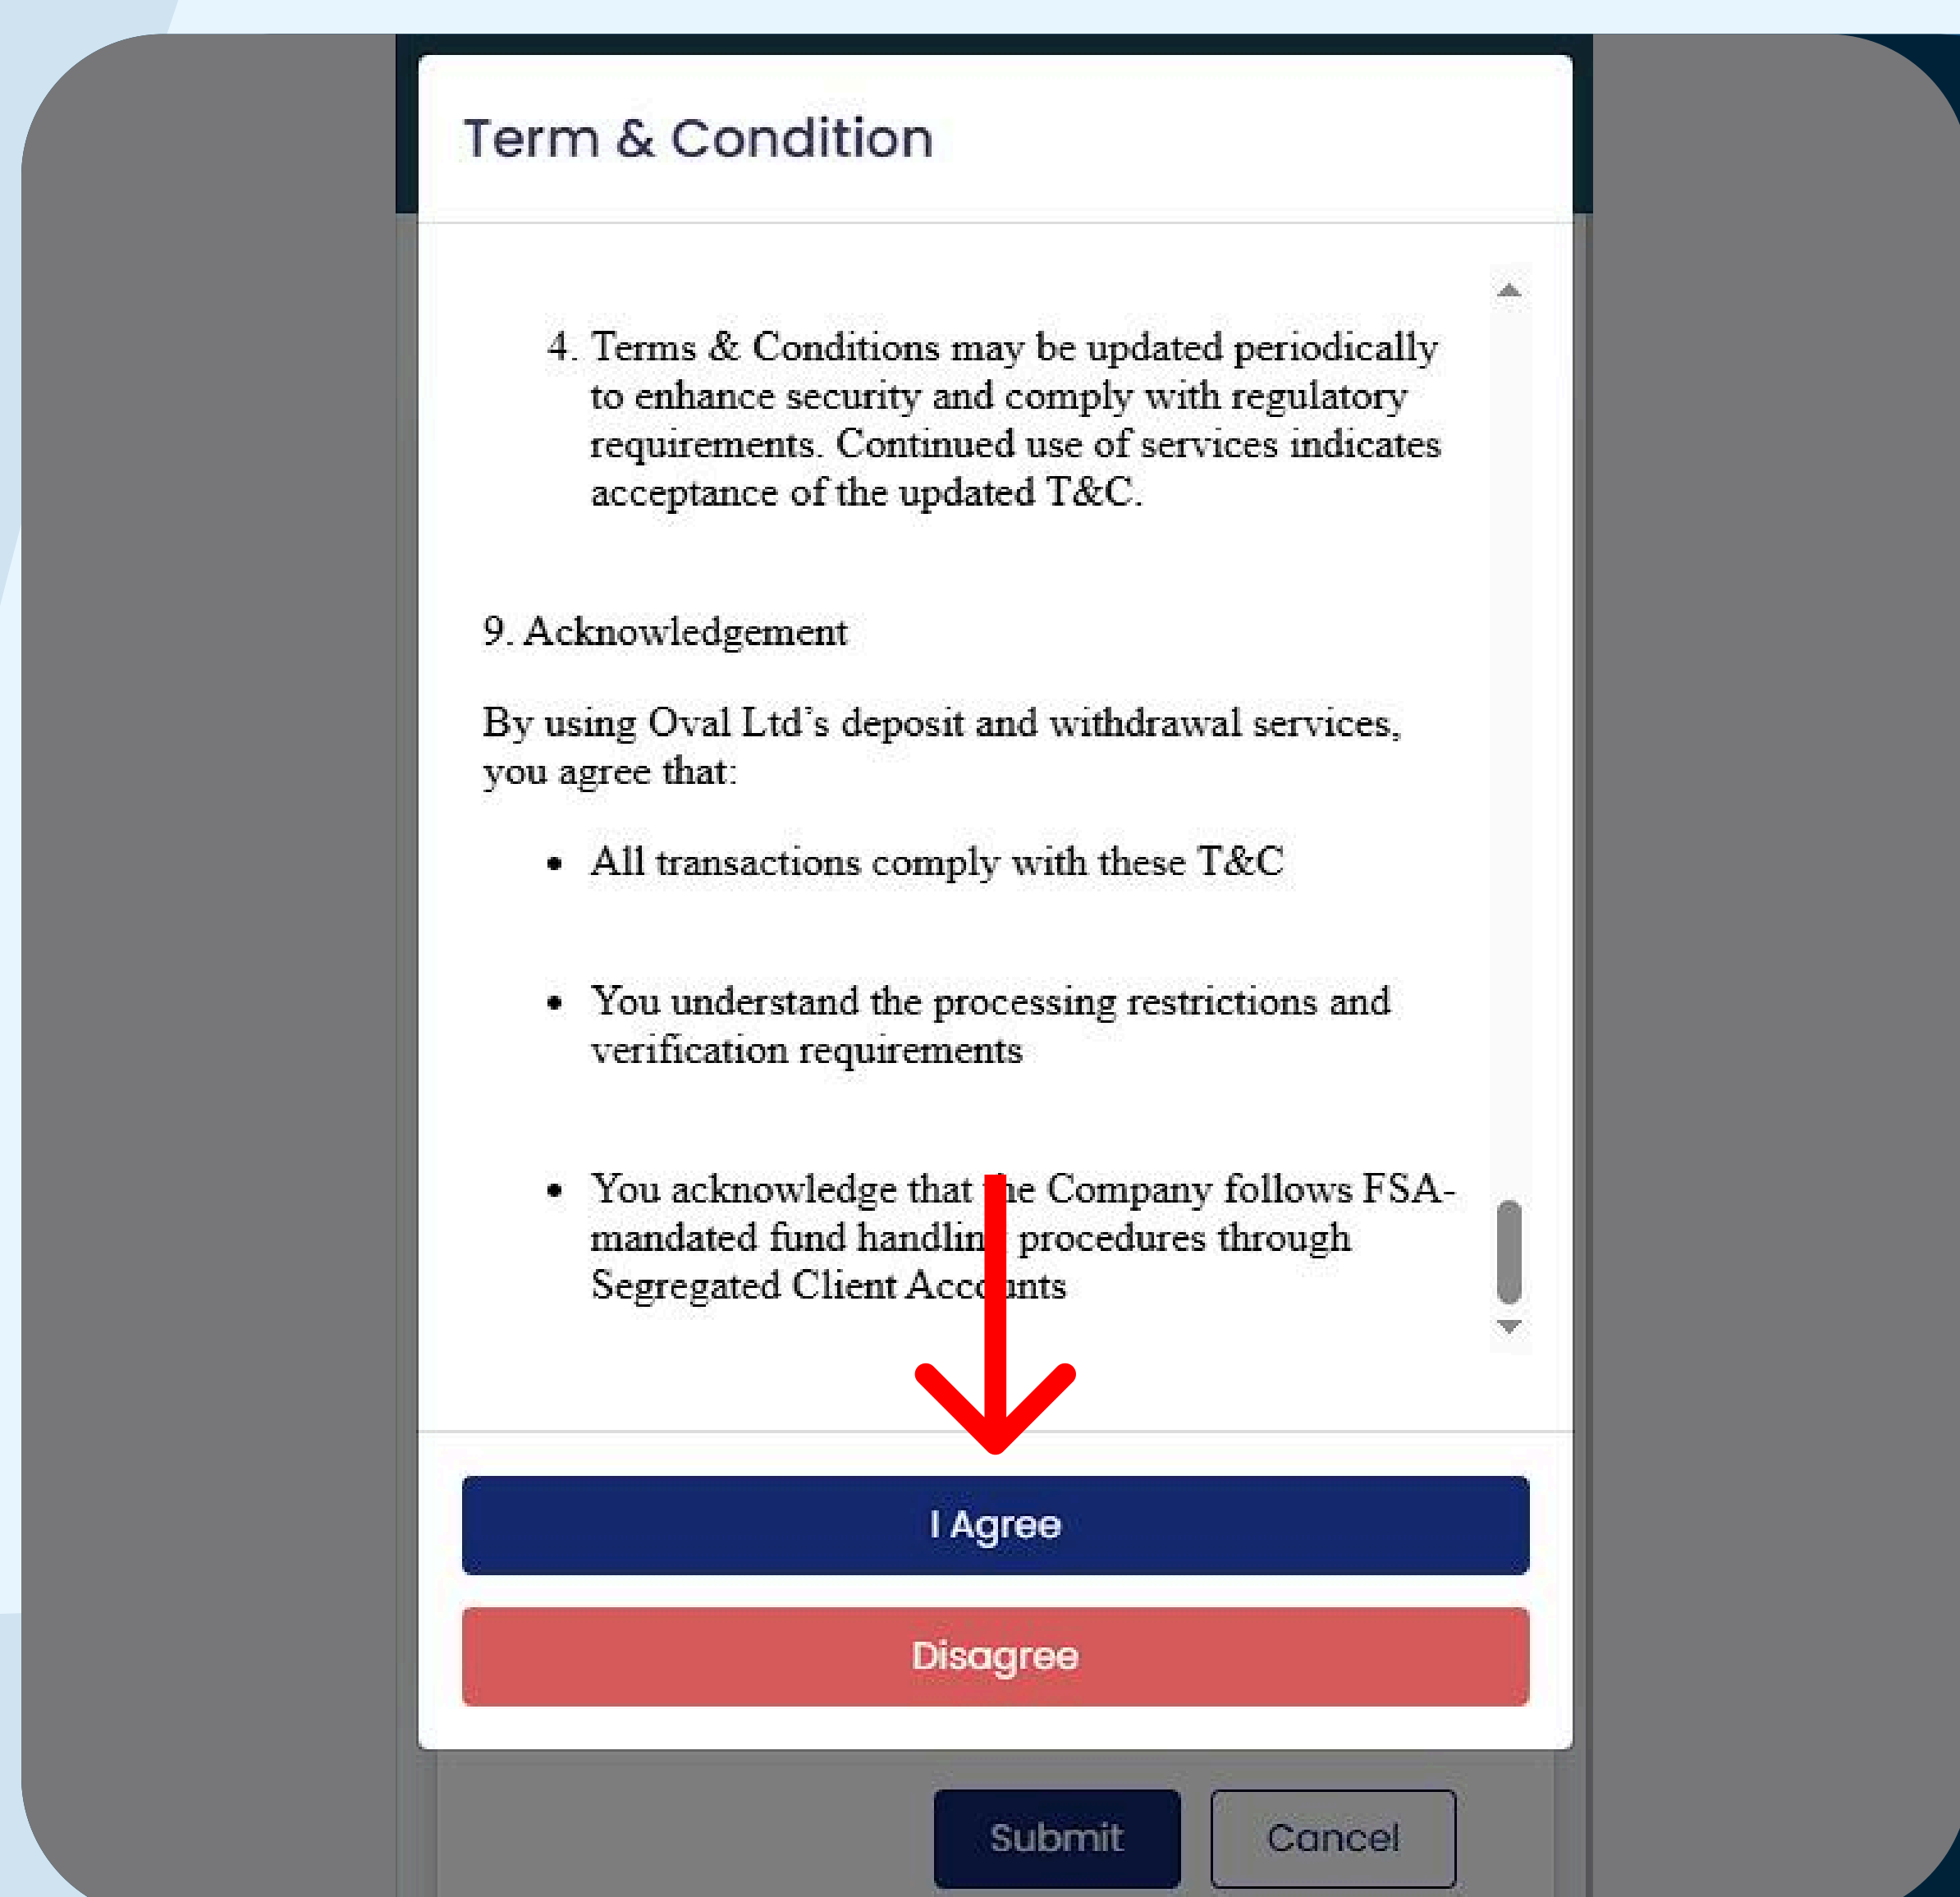

If you don't have a trader account yet, you can register via the link below:

👉 <https://dashboard.ovalmarkets.com/register>

2. Access the Deposit Menu

- Log in to your Trader Dashboard.
- Select the Deposit menu to create a deposit request.

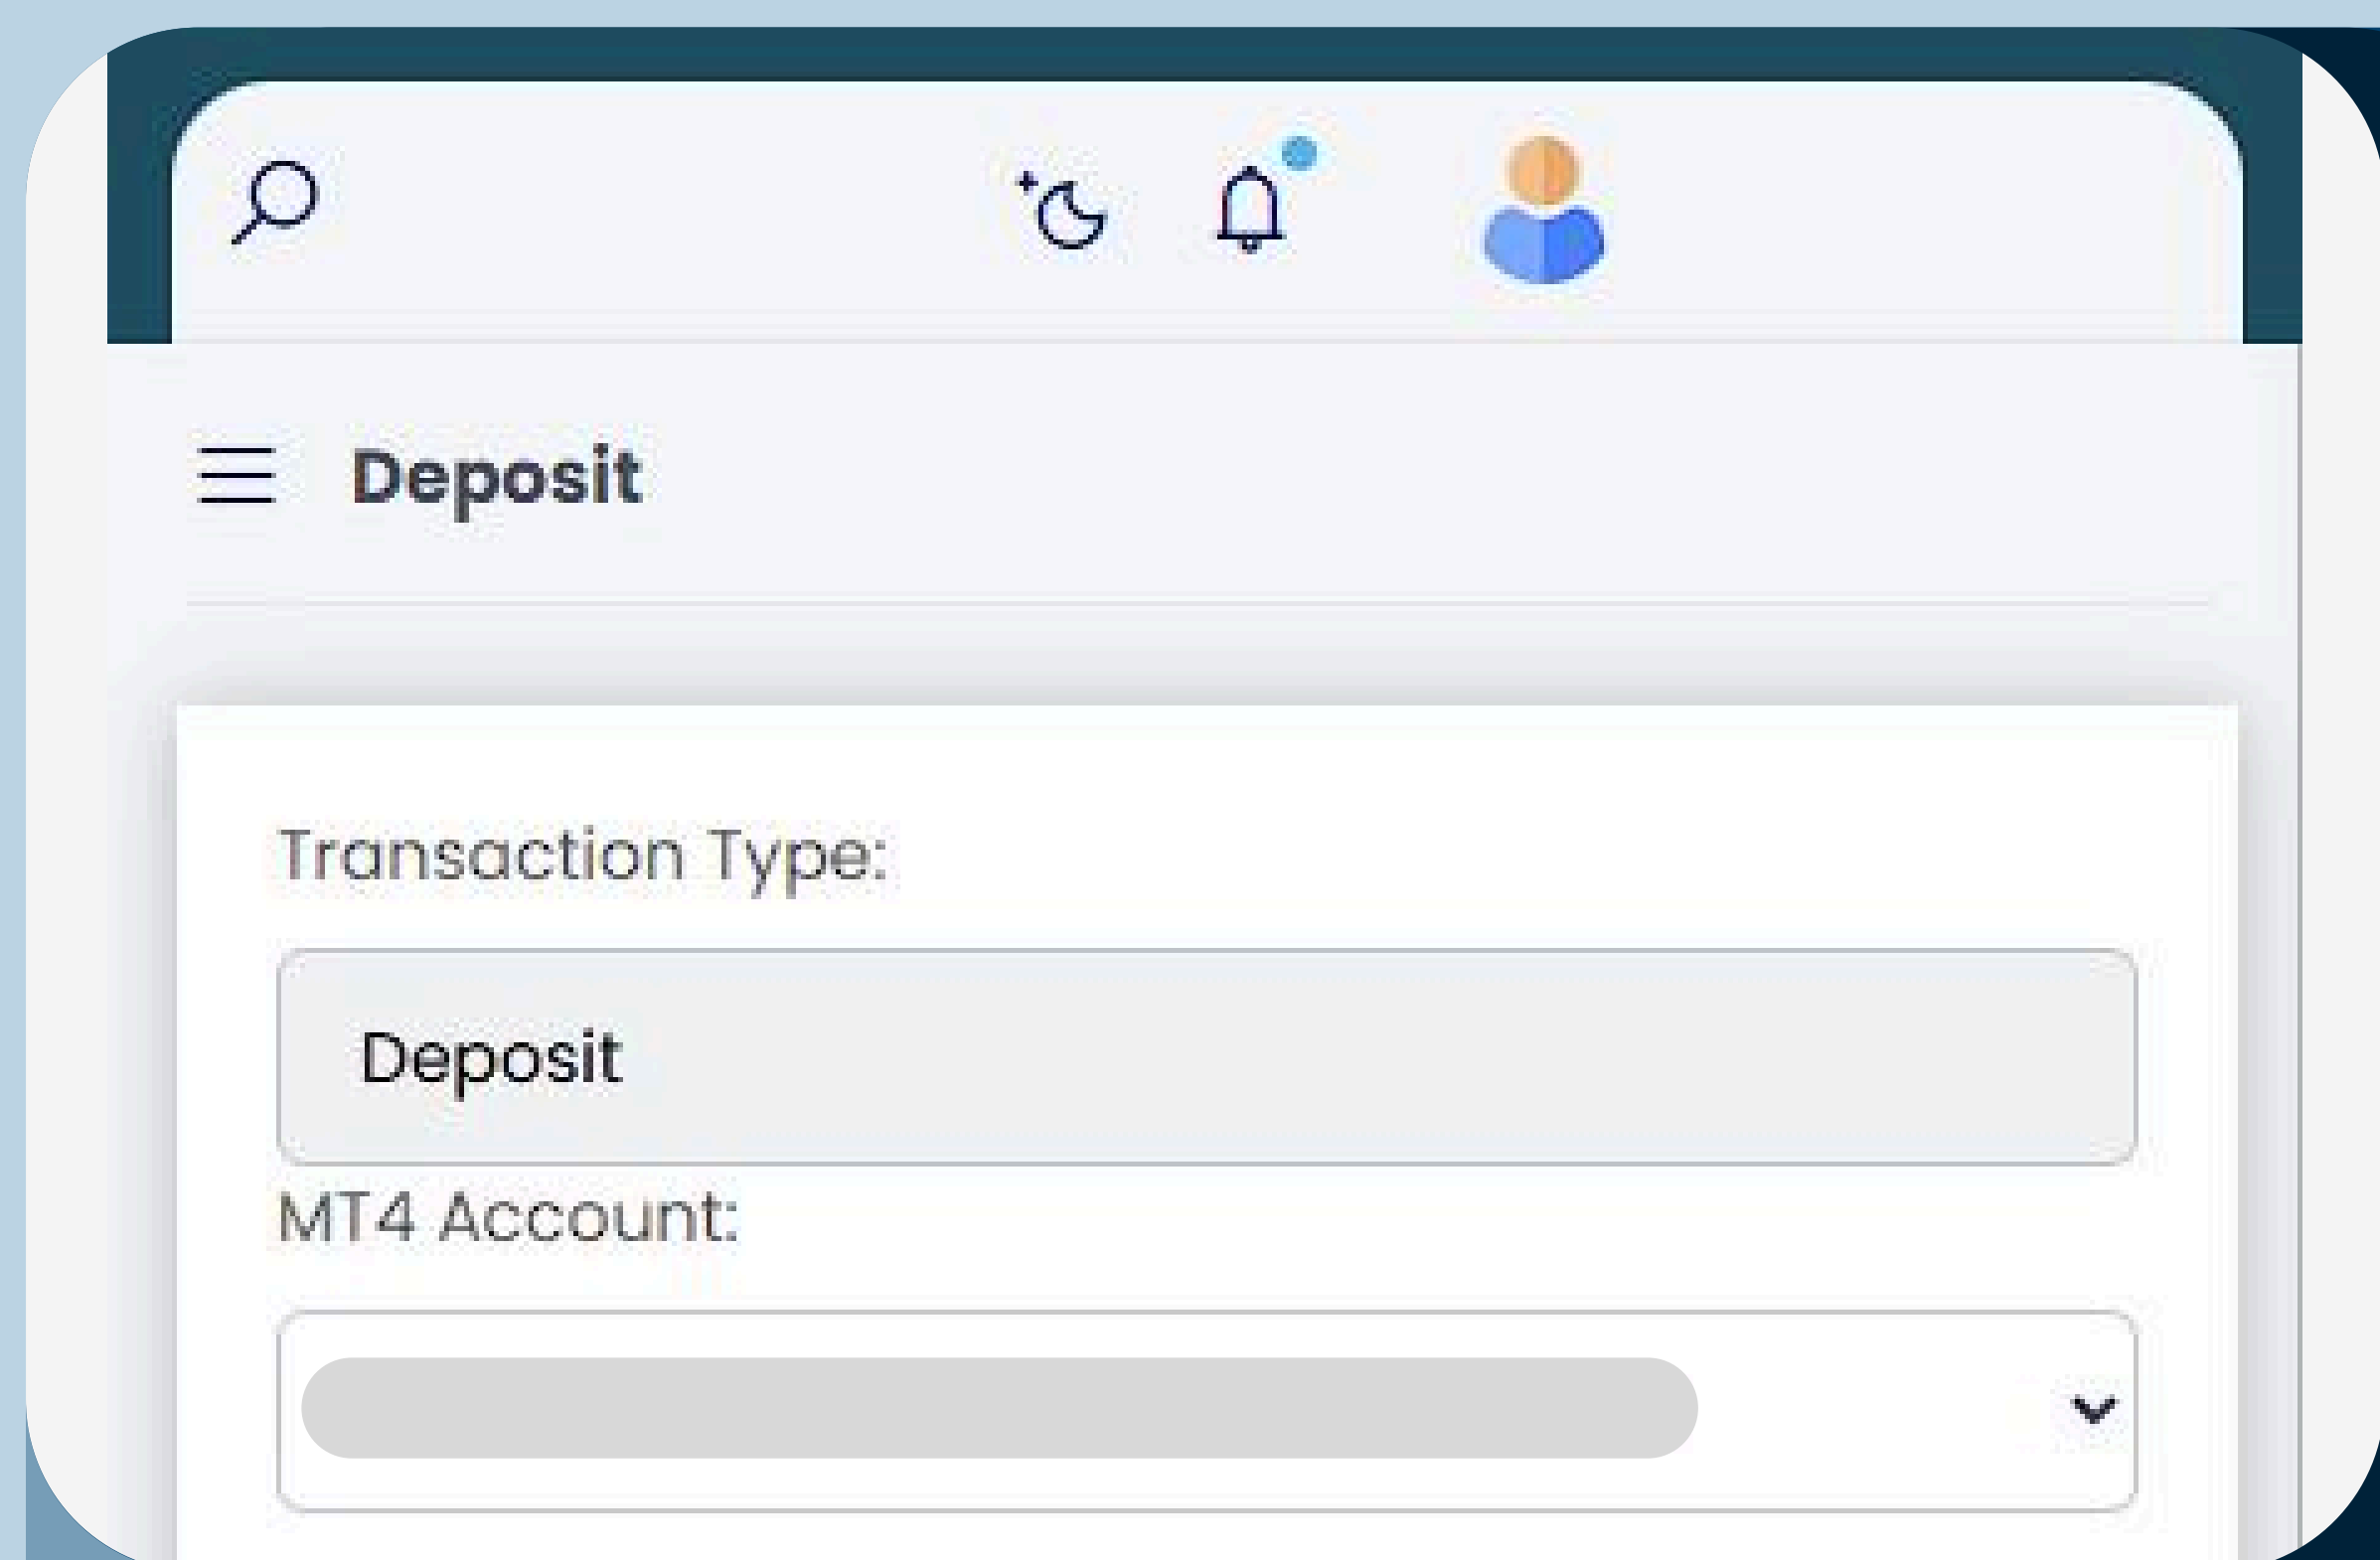

3. Terms & Conditions Confirmation

- After selecting the Deposit menu, the Terms & Conditions page will appear.

•

Please make sure you read and agree to the applicable terms and conditions before proceeding.

The screenshot shows a web application interface for a 'Deposit' transaction. At the top, there's a navigation bar with a search icon, a refresh icon, a bell icon, and a user profile icon. Below this, the title 'Deposit' is displayed. The form contains two main sections: 'Transaction Type:' with a dropdown menu currently set to 'Deposit', and 'MT4 Account:' with a dropdown menu showing a list of accounts.

4. Fill in the Deposit Form
Complete all required fields in the Deposit Form, including:

MT4 Account:

A dropdown menu for selecting an MT4 account. It has a light gray background and a downward arrow on the right side.

Select the MT4 account to be funded

Amount (USD):

Amount

Enter the deposit amount
